Sleep last night:

Food/caffeine notes:

Weather notes:

MEDICATION / SUPPORT USED

What I used and when:

Relief began around:

Side effects or notes:

Record what happened. Do not change medications or care decisions based on this page alone.

RELIEF & IMPACT

Relief level

☐ None

☐ Mostly

☐ Partial

☐ Full

Impact

☐ Rested only

☐ Missed plans

☐ Reduced tasks

☐ Needed help

QUICK NOTES TO SHARE WITH MY HEALTHCARE PROVIDER

What felt different, new, severe, or especially disruptive?

Questions I want to ask next time:

This printable is a personal tracking and organization tool. It is not medical advice, diagnosis, or treatment. Always talk with a qualified healthcare professional about symptoms, medications, or care decisions. If symptoms feel new, severe, sudden, or concerning, contact a qualified healthcare professional or emergency services.
